

SHINE Character and Culture Pillars of Curriculum Intent

In order to develop students who SHINE brightly across school we will:

Develop Positive Attitudes

- Provide ways to understand about the world and how to contribute positively to it
- Be curious about the world around us
- Develop social skills such as respect, communication oracy and empathy
- Learn positive choices to be successful

Develop Character

- Motivate students to be ambitious
- Create self-confident learners who are resilient
- Actively teach ways to cope with challenging situations
- Manage behaviours and build relationships

Frame Opportunities to Understand the World Around Us

- Teach though thematic studies to understand the wider world
- Investigate conceptual links between terminology and world cultures
- Use technical language to understand the world around us
- Challenge preconceptions politically/ morally/ socially

Promote Positive Wellbeing and Mental Health

- Understand how to live well and promote wellbeing in others
- Understand risks and challenges to wellbeing and mental health
- Learn strategies to promote positive wellbeing for all including diet, mindfulness, relaxation
- Develop awareness of outside agencies to promote positive lifestyles

Frame enquiry to develop positive relationships

- Actively teach positive relationship education:
 - Sex and Relationships
 - #AllDifferent, AllEqual
 - LGBTQ
 - Body image and changes

Develop opportunities to SHINE Brightly

- Structure tasks to encourage independence
- Recognise learning and successes through rewards and the ASPIRE programme
- Encourage students to explore links and to elaborate on what they have learnt
