# Seneca

1. Log into [senecalearning.com](https://senecalearning.com)
2. Use your school email address to log in
3. Choose your age range and tasks you want to do
4. You may have been set tasks by your teacher
5. Click on tasks and complete them!

The screenshot displays the Seneca Learning website interface. At the top, the Seneca logo is on the left, and navigation links for 'Home', 'Courses', and 'Classes & assignments' are on the right. Below the navigation, there are tabs for 'Your courses' and 'Add course', followed by a search bar labeled 'Search for a course...'. A filters menu is open on the left, showing options for 'Price' (Free and Premium), 'Age Group', 'Subject', 'Type', 'Exam Board', and 'Tier'. The 'Free' option is selected, and a 'Free' filter tag is visible. The main area displays a grid of course cards, including 'Computer Science: KS3', 'English: KS3 A Midsummer Night's Dream', 'English: KS3 Decoding Words', 'English: KS3 Harry Potter & the Philosopher's Stone', 'English: KS3 Of Mice & Men', 'English: KS3 Spelling, Punctuation & Grammar', 'English: KS3 The Boy in the Striped Pyjamas', 'French: KS3', 'Geography: KS3', 'History: KS3', 'Maths: KS3', 'Maths: Times Tables', 'Science: KS3', and 'Spanish: KS3'. A yellow circle highlights the 'Free' filter and the 'Age Group' filter.
