

The Winstanley School

Widening Horizons | Enabling Excellence

SHINE *brighter*

Take Away Home Activity Menu

Be creative

Try something new

Demonstrate your
learning

ENGLISH

Make a miniature book cover of your favourite book

Create an avatar and describe it using five adjectives (bonus points for a simile!)

MATHS

Add up the cost of redoing your bedroom

Count how many legs there are in your house. How many other limbs are there too?

SCIENCE

Go on a local nature trail - Find 5 different leaves and identify them online.

Make ice cubes with hot water and cold water. Check them regularly to see which freezes first.

LANGUAGES

Research a French / Spanish speaking country and create a poster including where it is, the

main foods eaten, what it is famous for and any other interesting information you find.

Find out how many countries Speak French and where they are in the world.

HISTORY

Create your own version of the Bayeaux Tapestry from the death of Edward the Confessor to William's victory at the Battle of Hastings

Create a time traveller's guide to Tudor Leicester.

GEOGRAPHY

Go onto Sporcle 'Countries of the World' quiz and tell your Geography Teacher what your highest score is.

Use Google Maps to plan a route across Europe. How many modes of transport and how many terrains do you cross?

RS

Record the number of places of worship in your local area.

Create a calendar of religious festivals that happen throughout a year.

MUSIC

Learn your favourite song and perform it to family members.

Make a playlist of music for a friend to cheer them up.

DRAMA

Plan how you would use social media to help students enjoy and learn even more at school.

Learn at least 3 physical moves/lifts/holds you could use to improve your physical theatre.

RM

Imagine it is 2123: redesign the Winstanley School uniform so it is suitable for that era.

Create a poster about 2 famous designers (one male and one female).

FOOD TECH

Go to a local cafe or restaurant and try a new food. Review it, either on paper or verbally.

Bake something sweet or savoury

ART

Create a recognisable face out of objects found around your home.

Draw your feet and the surrounding area.

PE

Watch a sports match and name 3 key players in the game. Find out some other facts about them too. Be able to talk about your findings.

Time how long it takes to walk/run 1km.
