NEW Rolls Royce Open Day

Derby Open Evening | Advanced & Degree/Higher Apprenticeships

We know many of you missed out on earlier opportunities to attend an Open Evening at our Learning & Development Centre here in Derby, and so we are hosting an extra open event on Thursday 6th February which your students can book on to attend. This will be an excellent opportunity to explore more about the range of apprenticeships we offer, whether that's Advanced options or Degree Apprenticeships, including an opportunity to tour the Apprentice Academy & workshop on-site, and speak to the Emerging Talent team of recruiters for their top application tips and programme information.

Students will need to sign up to attend one of our hour-long slots, and can book onto the event using the links below:

[5pm](#) / [6pm](#) / [7pm](#)

Support for Students

We're also excited to announce the release of two comprehensive preparation guides, created by us, to help your students know what to expect when it comes to applications, interviews and assessment centres for our early career programmes. So, whether they're applying to a Rolls-Royce apprenticeship or elsewhere, students can know what to expect, prepare with confidence, and go into each recruitment stage ready to shine. [Click here to download the preparation guides](#), or head to careers.rolls-royce.com to discover more about our huge range of apprenticeships and share them with your students.

NEW Yr 10-13 NHS National Allied Healthcare Professionals Work Experience session.

Sunday 2nd February 8:30am - 5pm, focusing on Geriatrics & Recovery.

Register here:

NEW YR 12 and 13 Explore Careers at HM Treasury
Exclusive Virtual Insight Event

Event Details

Date: Wednesday, 12th February

Time: 5:00pm - 6:00pm

Location: Zoom (link provided upon registration)

For: Year 12, Year 13, gap year and university students

Why Attend?

- **Explore Apprenticeships and Graduate Roles at HM Treasury – Learn about opportunities in business administration, finance, HR, management, and policy.**
- **Discover the Government Economics Service Degree Apprenticeship Programme (GES DAP) – A unique opportunity to earn a degree in economics while working in government.**
- **Gain Insider Insights – Hear directly from HM Treasury professionals about their work and career journeys.**
- **Get Application Guidance – Learn how to stand out in the recruitment process and secure a role in a competitive sector.**
- **Live Q&A Session – Ask your questions and receive tailored advice from the HM Treasury team.**

Why HM Treasury?

HM Treasury is at the heart of government decision-making, driving policies that impact businesses, individuals, and the economy. As an apprentice, you'll gain hands-on experience, work on real government projects, and develop skills that will set you up for a successful career in public policy, finance, and economic strategy.

If you're considering a career in economics, finance, or government affairs, this event will provide you with the knowledge, connections, and opportunities to take your first step into the sector.

IYC Hub

What the IYC Hub Offers

The InspireYouth Collective CIC is driven by the mission to empower young minds and build bright futures through a supportive and inclusive community hub. At the IYC Hub, we aim to address key challenges faced by young people and families, such as mental health, skill development, and social isolation, while fostering creativity, resilience, and a sense of belonging. Here's how we're making a difference:

Workshops & Activities

Our hub provides a diverse range of skill-building workshops, including photography, creative writing, digital art, and more. These workshops are designed to inspire creativity, enhance practical skills, and promote confidence in young people, equipping them for future success.

Mental Health Support

A dedicated counseling room offers professional mental health support for young people, providing a safe and confidential space to talk. We aim to reduce stigma around mental health, encourage open conversations, and ensure that young people have the tools they need to thrive emotionally.

Pop-Up Café

Our pop-up café serves affordable or free meals in a warm and welcoming environment. By addressing food insecurity and creating a space for connection, we're helping to ensure that everyone has access to nutritious meals while fostering a sense of community.

Community Support Saturdays

These events feature a community fridge and clothing bank, offering essential resources to families in need. This initiative is part of our commitment to supporting local families, reducing waste, and building a stronger, more compassionate community.

Teen Makers Market

We empower young entrepreneurs through the Teen Makers Market, where they can create, market, and sell their own products. This initiative builds business skills, confidence, and creativity while fostering a sense of achievement and self-reliance.

Urban Innovators Project

The Urban Innovators Project inspires teens to reimagine and contribute to improving urban spaces. This program encourages critical thinking, teamwork, and active citizenship, helping young people see their potential to make a positive impact on their surroundings.

Function Room Hire

Our versatile function room is available for community groups and extracurricular activities. It also hosts workshops, classes, and events that align with our mission of empowerment, inclusivity, and skill development.

Our Core Values

Through these initiatives, the InspireYouth Collective CIC remains steadfast in its commitment to:

Empowerment: Encouraging independence and confidence.

Community: Strengthening local connections and support networks.

Inclusivity: Ensuring everyone feels welcome and valued.

Well-being: Prioritizing mental, physical, and emotional health.

Sustainability: Committing to long-term success and community investment.

Together, these offerings ensure that the IYC Hub is not just a space—it's a foundation for brighter futures.

Masterclass with Law Firm; Year 13.

Causeway Education are working with law firm Wedlake Bell to deliver a free application masterclass to help Year 13 students succeed in solicitor apprenticeship applications.

When: Wednesday, 5th February, 4:15-6pm

Where: Online (Zoom)

This interactive webinar will walk attendees through the application process step-by-step, focusing on Wedlake Bell's apprenticeship programme while providing tips that are transferable to other similar applications.

Last year, this webinar scored on average 9.9/10 from students, with 90% rating the webinar 'very useful', in particular highlighting the step-by-step breakdown of a cover letter, how to use the STAR method and the Q+A with recruiting managers.

If you have Year 13 students with sights set on a solicitor degree apprenticeship, they shouldn't miss this chance to get the inside scoop and boost application confidence.

Student sign up here: <https://forms.office.com/e/P8FgdUY1gc>

Further information about Wedlake Bell's apprenticeship:

Derby College Open Evenings

Our first round of Open Evenings was a tremendous success, with all slots fully booked and a fantastic turnout. If your students didn't get a chance to join us, don't worry — more opportunities are coming in the new year. **Be sure to advise students to register on our website to reserve their place at future events:**

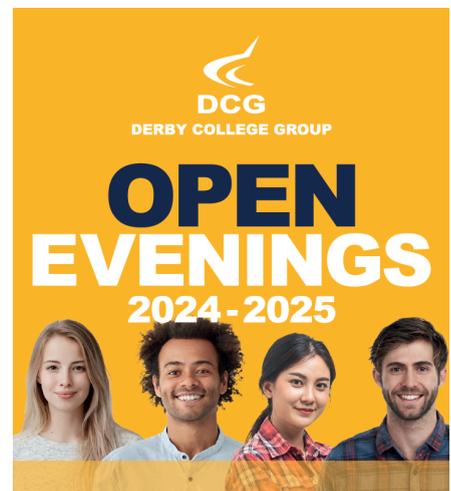

[Joseph Wright Centre Open Evening – 05/02/2025](#)

[The Roundhouse Open Evening – 13/02/2025](#)

perfectly timed during **National Apprenticeship Week!** This open evening will also include talks about finding and securing apprenticeship opportunities, and there will be a variety of prospective employers available to talk to.

[Broomfield Hall Open Evening – 26/02/2025](#)

Students must register for the events they want to attend and bring along their QR code to the event. Failure to do so may result in them being turned away on the day!

Year 10-13 Virtual Work Experiences.

The Medical Schools Council acknowledges virtual work experience as an equal

alternative to in-person shadowing based on a discovery report conducted by Health Education England. I encourage students aged 14 and over, interested in medicine to participate in our FREE National NHS Virtual Work Experience programme. We are pleased to offer a variety of medical specialties, with a focus this month on palliative care. This enables your students to gain a well-rounded perspective of working within the NHS.

To find out more:

<https://medicmentor.org/university-hospitals-birmingham-trust-virtual-work-experience/>

BBC Apprenticeship:

Want to work for the BBC? Now's your chance! One of the easiest ways to get your foot in the door is via our apprenticeship schemes. Applications are now open for the Level 3 Production Apprenticeship at BBC Radio Derby, which start in September 2025. You need to be 18 or over by the time the scheme kicks off. Here's how to apply:

***Applications are now open** for our hugely popular [Residential Insight into University Courses](#).

These are summer schools at various top Universities that run over 4 or 5 days where students get a taste of university life and an insight into a specific STEM subject. Students will get the opportunity to experience university style lectures and work on activities and group projects with the support of academics and student mentors. Students will stay in halls of residence and will take part in social activities in the evenings, so that they get the full university experience.

For Year 12 students / S6

Courses taking place June-Aug 25

Accreditation: Silver [Industrial Cadets Award](#)

***Applications are now open** for our [YINI–Year in Industry Placement scheme](#)

An EDT placement will give students an opportunity to continue their STEM journey after leaving school or college and take a paid gap year to help inform and shape their future career choices. They will gain invaluable experience working in industry, develop their skills and knowledge, and boost their future employability. We have vacancies with companies across many areas of STEM from leading FTSE 100 companies to small innovative start-ups. EDT placements are accredited at Industrial Cadets Platinum level meaning that the student's experience during their year in industry is quality benchmarked and recognised industry-wide.

For Year 13 students /S6

Placements will start July/Aug 25

Accreditation: Platinum [Industrial Cadets Award](#)
