

# Autumn Newsletter 2021-22

## HI - Angel & Hadrian Class

Dear Parents and Carers,

Welcome to a new school year! The students seem really happy to be back in school and have been working hard with their new topic area. This year we are trying something new – Angel and Hadrian are sharing two teachers, Helen Blakelock and Callum Fox who will be teaching across both classes. The support staff will also be moving throughout the two classes – Mandy Davison and Nichola Blair will be the HLSSAs for both classes.

Catrin Jones will continue as our speech and language therapist while Julie Osborne will be our occupational therapist. Ros Middleton will be overseeing any physiotherapy input that any students may require.

For Angel class, the children will be looking at food including reading the popular children's book The Hungry Caterpillar, learning about food groups and foods around the world. In Hadrian, we are exploring schools beginning with our school and its history and then researching schools around the world, comparing similarities and differences.

Kerry Moore will be overseeing PE sessions on Tuesdays and Thursdays for Angel and Fridays for Hadrian. Swimming sessions will resume, taking place on Tuesdays for both classes. Can you please send your child to school on their respective PE days in appropriate wear and also send swimming clothes on swimming days.

We are very excited to explore this new opportunity to combine our classes and the children have responded very well to the new challenges posed. If you have any questions, please feel free to contact school on 0191 281 5821 or alternatively you can email any of the team on the below email addresses.

We will look forward to seeing you all in our coffee mornings' which are resuming this year.

Kind regards,

Helen, Callum and Angel & Hadrian class' teams
