

Autumn Newsletter 2021-22

Penshaw Class

Dear Parents and Carers,

It was lovely to welcome our students back into school at the beginning of September, and we hope everyone enjoyed the summer break.

Each student now has a copy of their timetable showing the class lessons for each day. Still, minor changes may be made to their timetables, including the therapy sessions and functional skills sessions.

We will be working towards qualifications in English and maths and will be following various Asdan programmes, completing challenges and modules focussing on humanities and life skills. Sam Dowling, Design Technology teacher, will be looking at Asdan Enterprise challenges, and Lauren Tate, our Art teacher, will be providing opportunities to complete the Expressive Arts module.

The students will also be encouraged to select modules and challenges and research their interests. The PE session will take place on Wednesday afternoon, and swimming is on Fridays.

Please see below details on our new class team, and the days we are in class.

We are looking forward to a busy and exciting term. Should you have any queries or concerns, please do not hesitate to get in touch.

Best wishes

Jamie, Julie and the Penshaw class team
