

Summer Newsletter 2021-22

PMLD Department

Dear Parents and Carers,

We are happy to see the students back following the Easter break, we hope you enjoyed the holidays.

Our topic is Forest School Adventures and we will be having two themed days with fun and dressing up and outdoor exploration.

Friday 6th May – Hide and seek! Please could students come to school in old clothes that you don't mind getting a bit mucky. We will dress up and camouflage ourselves and our chairs for an extreme hide and seek activity.

Monday 23rd May – Den Building Day- camping activity and making smores. It would be great if students could wear their PJs and bring a favourite blanket.

We will continue to focus on our communication, physical skills and sensory exploration, all of which remain integrated throughout all daily sessions.

In speech and language therapy sessions we will continue to develop our sensory exploration skills through sensory stories, call and response sessions and using the eye gaze technology.

We will continue to focus on gross motor movement development through music and movement sessions and social games. The SaLTs and OTs will continue to work closely to plan cause and effect programmes and look at positioning.

As always, please don't hesitate to contact us using contacts below. We are looking forward to another term working with your fabulous young people!

Best wishes,

PMLD Department
