

# Summer Newsletter 2021-22

## Angel Class

Dear Parents and Carers,

Well, here we are in the last term of 2022 I can't quite believe how quick the year has gone.

This term our class topic is 'Transport' and will be learning about:

English – The Runaway Train

Maths – Continuing working through our White Rose maths scheme

Science – Forces including pushes and pulls, floating and sinking

Humanities – transport through time

RE – Stories from the bible

I am really hoping to organise a few educational visits this term linked to the topic of transport including a day of using different modes of transport like that Runaway train story and a trip to Beamish to look at old transport. I will be in touch about these.

As always, the team are here for a chat about anything if you need us either on 0191 2815821 or using our emails below.

Hope to see you all at the coffee morning

Helen and the Angel class team
