March 2018

Dear Parent/carer,

### **Re: Year 11 Easter Holiday Revision 2018**

As part of our programme for Year 11 students, we are, once again, organising special revision sessions during the Easter holidays. The focus of these sessions will be to support students and to help them to achieve the best possible grade in the forthcoming examinations. We feel that this is an ideal opportunity for many of our students to gain more practice in examination technique, embed knowledge and benefit from extra support to build confidence.

**Please see the table on the following side for subject, session day/dates, times and rooms.**

These sessions support the many revision opportunities and targeted intervention sessions that we are already running during term time.

All students will benefit from attending these sessions, although they are free to choose the ones that will be of most benefit to them. Please make every effort to ensure your child attends their allocated revision sessions.

Please be aware of the following arrangements:

- Your child must be on time to the sessions.
- Your son or daughter needs to bring a drink and a snack please. Or a packed lunch.
- S/he should also bring any necessary equipment, question papers, and books – as directed by the subject teacher.

The programme is also on the school website.

I would like to thank you in advance for your support with the Year 11 Easter Revision and once again emphasise how important the sessions are for securing your child's success.

Should you require any further information on the classes please do not hesitate to contact me at the Academy on 01670 816111.

Yours sincerely,

Simon Barber  
Head of Key Stage 4
