27 June 2018

Dear Parent / Carer,

End of Year 10 Pre-Public Examinations

Please find attached a copy of the timetable for upcoming exams for Year 10 pupils. Pupils in Y10 have already received their timetable, and this copy is for your reference. These exams give an opportunity for pupils to demonstrate their learning and to experience the formal environment of the public exams that they will sit next May.

As you are aware, GCSE courses have changed, and the focus is now almost completely on the final examination, rather than any previous portfolios or coursework built up during the programme. It is, therefore, essential that pupils revise regularly as information learned throughout the course is required for the final exams. Please encourage your child to take these upcoming PPEs seriously, and if they haven't already, they should begin a regular timetable of revision at home to support their progress in school.

If you have any queries about these exams please contact Mr Atkinson, Deputy Principal, or Mr Barber, Head of Key Stage 4, at the school.

Yours faithfully,

Mr S Gibson

Principal Director: Secondary
