## Scheme of Delegation Braunstone Frith Primary Academy

2021 - Version 3.1

## Scheme of Delegation

This scheme of delegation sets out the Trust's approach to delegations between the different layers of governance within the Trust. The phrases used have the following meanings:

Where Board of Directors delegate, they must have clear and robust reporting procedures and lines of accountability in place, to ensure that delegated authority is exercised properly. High risk and novel decisions should not be delegated. Board of Directors should agree appropriate guidelines to help assess what is likely to be high risk or novel.

Where the Board of Directors are making a decision, staff can play an important role in providing information and advice. Board of Directors should, however, be aware of potential conflicts of interest that might affect staff.

**Responsibility** and **accountability** cannot be delegated, but **authority to act, determine** and **deliver** can be delegated.

**Consult:** the individual/group that should be consulted as part of the process of completing a particular task.

**Deliver:** the individual/group that has responsibility for undertaking the particular task delegated to them and reporting on its delivery at suitable intervals. In the case of the CEO and Directors of LiFE this will be at Board level. In the case of the Headteacher this will be at Academy level.

**Determine:** the individual/group that has primary responsibility for ensuring the particular task is completed and determining how the Trust and/or Academies (as appropriate) should undertake the task including determining appropriate milestones and targets to be reported against.

**Develop:** the individual/group that has responsibility for developing proposals relating to a task for discussion and approval by the appropriate decision-making individual/group.

**Recommend:** the individual/group that should make recommendations as to how a particular task should be completed. In the case of:

- (i) the CEO they will be making recommendations to the Board of Directors and/or LGB (as appropriate),
- (ii) the LGB they will be making recommendations in relation to their Academy to the Board of Directors, CEO /or Headteacher (as appropriate) and,
- (iii) the Headteacher they will be making recommendations in relation to their Academy to the CEO and/or LGB (as appropriate).

**Report:** the individual/group that has responsibility for reporting on the delivery of tasks. In the case of:

- (i) the CEO, they will be making reports to the Board of Directors and/or LGB (as appropriate),
- (ii) the LGB they will be making reports in relation to their Academy to the Board of Directors and/or CEO (as appropriate) and,
- (iii) the Headteacher, they will be making reports in relation to their Academy to the CEO and/or LGB (as appropriate).

**Review:** the individual/group that has responsibility for reviewing whether a particular task is being carried out satisfactorily and where appropriate requiring action to be taken to ensure task is delivered appropriately. In the case of:

- (i) the Board, they will be reviewing the CEO and/or LGB (as appropriate),
- (ii) the CEO, they will be reviewing the Headteacher and,
- (iii) the LGB, they will be reviewing the Headteacher and their leadership team.

**Comply:** the individual/group will follow agreed policies and procedures.

For issues of regulatory compliance including items such as employment law there can be no distinction from the LIFE MAT and the individual academy
