### Supporting Statement

Life Multi-Academy Trust is committed to the promotion of equality of opportunity to all employees, and supports the fair treatment of all staff irrespective of gender. All our posts are aligned to agreed pay scales, with men and women receiving equal pay for equal roles.

Since March 2021 the Trust has grown to include two additional secondary schools. The gap in mean and median pay between men and women reflects the composition of the workforce as opposed to any pay inequalities; many of the lower paid roles predominantly attract more female than male applicants. The Trust is committed to reducing its gender pay gap and has developed an Action Plan, which aims to reduce the gap, this has been published on the Trust's website.
