30 October 2017

Dear Sir / Madam

Re: Toner Avenue Primary School Proposed Development

This letter is to let you know that Government funding is being provided to build a new school on the existing site of Toner Avenue Primary School to replace the current school building. The completion date for the proposed new school building is planned for February 2019.

To enable you to see the proposed plans for the new school, a planning consultation meeting is being held at the school on 6th November 2017 between 2.00pm – 6.30pm. You are invited to come along to this event where information regarding the proposals will be on view and representatives from the construction team will be on-hand to answer any questions.

We look forward to seeing you on the 6th November 2017.

Should you attend could you please report to the Main Entrance. Please be aware that between 2pm and 3:15pm the school will be operational and additional security measures will be in place to ensure the children's safety.

Regards

Steve Lynn
