19th March 2020

Dear Parent / Guardian,

I'm sure you're aware of the recent announcement from the Prime Minister, Boris Johnson, that all UK schools must close to slow the spread of Coronavirus, except in the instance of vulnerable children and children of key workers; who will still be allocated a school space during this time of uncertainty.

We want to reassure you, that in light of these changes, our staff have been working hard behind the scenes to devise a plan to ensure the school is prepared to take care of these students.

However, we need your support, and for you to contact us if your job falls into the category of a key worker. The list of jobs that they define as key workers are included in the table below. If this changes during the course of the night, please use the latest Government categories.

If you believe that you are a key worker and that your child(ren) should still be coming into school, please email us at chutchinson@toneravenue.s-tyneside.sch.uk by **tomorrow at noon**, to let us know so we organise our staff accordingly. Please tell us the following details:

Child's Name:

Class:

Your Role:

We will presume your job role **does not** fall into any key worker category if you do not contact us.

For your reference, if one parent is a key worker, the government will expect the other parent to have their child(ren) at home. Single parents who are key workers will be entitled to a school place during this period.

If your child has a **social worker** or an **EHCP** and you would like them to attend school, please provide:

Child's Name:

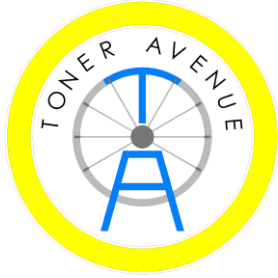

Class:

Social Worker Contact details: (unless your child has an EHCP).

As soon as we have an official date to re-open, we will communicate this with you via email and the school website/Facebook and Twitter. Until then, we would like to offer our very best wishes, hopes that everyone remains safe, and that anybody affected by this unprecedented virus makes a speedy recovery.

Head Teacher: Mr M Arthur
Chair of Governors: Mr G Bone
