

To our wonderful year 6's,

As SATs week arrives, it is not quite the same,
The tests that were printed this year never came,
The displays are still up; walls full of maths 'rules',
But year 6 is very different, at present in schools.

For some of you happiness, lots of relief,
For others a sigh of pure disbelief,
That you worked really hard in advance of this week,
Expected and Greater depth marks all of you did seek.

Algebra, fractions, the times table drills,
Inference, retrieval and in-depth reading skills,
Past, present progressive - all the SPAG terms,
You've practiced and mastered then over the years.

Fear not though, yes the SATs won't happen this term,
But remember, tests don't measure everything you learn,
Primary subjects are varied and you've always tried your best,
Many of the skills you've gained won't be defined by a test.

So here at Toner you've made us all so proud,
We sit here with pride as we shout out loud...
"Year 6 you amaze us and you've come so incredibly far,
we don't need a test to show how wonderful you all truly are!".

Thinking of you all - we are still so proud of you,

Miss Bainbridge, Miss Feeney & Mrs McBarron x
