The percentage of pupils that enter the EBacc:	8.4%	29.7%	40.4
The percentage of pupils staying in education or going into employment after KS4 in 2022:	95%	94%	93%

National performance tables

You can find and check the performance of schools and colleges in England [here](#) (given the uneven impact of the pandemic on school and college performance data, the government has said you should not make direct comparisons between the performance data for one school or college and another, or to data from previous years).
