3rd July 2015

Walking with Giants Community Festival

Dear Parents/Carers,

Brooklands Farm Primary School are proud to announce our Summer term enrichment event Walking with Giants Community Festival which will take place on **Wednesday 15th July from 5-6pm** on the school MUGA pitch. This event is an opportunity for the children to share the learning they have done during enrichment in which they will be parading, performing and showing colourful 'Carnival of the Animals' inspired dance, music, puppetry and art.

This event is directly linked through our fantastic resident artist Paul Smith to the Walking with Giants carnival which takes part in Central Milton Keynes this Sunday 5th July from 12.30pm on Midsummer Boulevard by The Hub.

Years 1 through 6 (Transition Years 2-7) - children will be staying in school until 5pm on the day of the performance. One of our parents who works for Buckingham Foods has kindly offered a selection of sandwiches for the children to have during this time. If you have any dietary concerns, please feel free to send in a snack for your child.

Foundation 1 & Foundation 2 (Transition Year 1) - please collect children at 3:30pm and join us again for the performance at 5pm.

Please send children in on the day of the performance wearing their sports day coloured top. This will be a non-uniform day.

When you arrive at 5pm please go straight to the MUGA pitch to get in position as we cannot start until all parents are in place for the safety of the children. There will be a section of seating; we kindly ask that you reserve this section for those who need it.

We will be practising outside over the next couple of weeks in the build-up to the performance, therefore please be sure children have plenty of sun cream applied, a named hat and water bottle each day.

Kind regards,

The Enrichment Team
