# Home learning for year 3   17th October 2014 .

Please can you return your home learning by Wednesday 22nd October?

1) <u>Reading</u>-Ensure you read for at least 5 minutes 5 times a week to an adult. Try and read a variety of books, not just your school reading book.

2) **Practice your times tables**-you should focus on the 2 ,4 and 8 times tables this week.

   Maths: Continue to challenge yourselves on Mathletics. This week our focus has been on **statistics and data**

Maths : As part of our VW project next week we will be looking at what kind of cars people drive. Can you ask 8 people what type of car they drive and complete the table below?

Type of Car	petrol	Diesel	Electric	Hybrid
Tally				
Total				

Then using the grid paper provided, create a block graph to show your results.

<u>Success Criteria</u>:

- Draw your axis using a ruler
- Decide on a scale for the left hand side -1 square = 1 person-label this on the left hand side-label number of people
- Write the categories along the bottom of your axis-i.e petrol, Diesel etc.
- Label your graph ie Block graph to show.......
- Draw your graph using a ruler.
- Colour your blocks carefully so your data is clear.

  Once you have completed this, answer the following questions.

  1) Which fuelled car is the most popular?
  2) Which fuelled car is the least popular?
  3) How many people drive petrol and diesel cars?
  4) How many people drive Electric and Hybrid cars?

  What does the data show you about electric cars?
