

## Strong and Powerful Literacy homework

**This is needed for Literacy next week so it is needed on Monday**

This week you will need to read the shared explanation text about forces and complete the following activities:

LO	Success criteria
Can I annotate the shared text with examples of features from the success criteria?	<p><b>Organisation</b></p> <ul style="list-style-type: none"> <li>• <b>Title</b> – interesting so the reader is drawn in</li> <li>• <b>Introduction</b> – background information and introduces the main ideas that the text will explain</li> <li>• <b>Chronological paragraphs</b></li> <li>• <b>Subheadings</b> – introduces what the next paragraph will be about</li> </ul> <p><b>Language</b></p> <ul style="list-style-type: none"> <li>• <b>Present tense</b> (unless you're explaining something that happened in the past)</li> <li>• <b>Third person</b> (<i>it, they, them</i>)</li> <li>• <b>Formal style of writing</b></li> <li>• <b>Time connectives to clearly order the explanation</b></li> <li>• <b>Clear cause and effect explanations and descriptions</b> (cause and effect explain how and why things happen – <i>because, as a result, consequently, therefore, therefore</i>)</li> <li>• <b>Explanation written in an interesting way</b></li> <li>• <b>Technical vocabulary</b> (project specific vocabulary)</li> <li>• <b>High level vocabulary</b></li> </ul>
Can I magpie vocabulary that I would like to use in my explanation writing?	<p>You will be writing your own forces explanation texts – so magpie all the high level and project specific language you can!</p> <p>(see attached sheet)</p>
Can I complete a box it up plan for the shared text?	<p>Using the shared text, fill in the features, ideas and language into a box it up plan.</p>

### **Box it up:**

Paragraph	Features (success criteria)	Ideas and language

## Magpie language

<b>Formal style of writing</b>	
<b>Time connectives to clearly order the explanation</b>	
<b>Clear cause and effect explanations and descriptions</b> (cause and effect explain how and why things happen – <i>because, as a result, consequently, therefore, therefore</i> )	
<b>Explanation written in an interesting way</b>	
<b>Technical vocabulary</b> (project specific vocabulary)	
<b>High level vocabulary</b>
