

## **Project**

### **The Roman's are coming!**

Your challenge is to create a poster showing three challenges: What I know about the Romans, What I want to know and how to use roman numerals up to 100.

SC: I have clearly shown what I already know about the Romans

I have shown what I want to know as questions.

I have explained the Roman numerals rules

I have used pictures or models to help demonstrate what I already know.

## **Spellings**

Please revise the spellings from our sion and cian investigation.

- Whether
- Weather
- He'll
- Heel
- Their
- There
- They're
- Missed
- Mist
- Piece
- Peace

## **Reading**

Please continue to read to an adult and ask them to record this in your reading record if you want to collect Ceasar's coins for your Roman class.

## **Maths**

Please practise the measure and time activities on SumDog which will help you revise the activities we have been doing in maths this week. You should work on the activities at level 4 or above.

Have a lovely half term holiday!

Mr Mortimer
