

## Year 3 Home Learning 6<sup>th</sup> March 2015

Please can you return your home learning by Wednesday 11<sup>th</sup> March?

- 1) Ensure you read for at least 10 minutes, 3 times a week to an adult- please ask a grown up to sign your reading record book.
- 2) Keep practicing your times tables! Focus on 6, 7, 8 and 9 times tables. Our next focus in maths will be fractions-use Sumdog to help you.
- 3) In science we will be focusing on forces. Can you find out as much as you can about magnets and create a fact file? Investigate where magnets are used and find out where magnets are used in your home.

### Success criteria

- Use headings and subheadings
- Use a 'did you know' question
- Write in a factual style
- Draw pictures and diagrams showing how magnets work-don't forget to label your diagrams

Spellings: station, position, action, injection, permission, hesitation, experiment, popular
