

Year 4 home learning 17.4.2015

Due Friday 24th April

Literacy

This week we read about how Barney and Stig created a chimney from an old tin bath and some bottomless tins.

Your challenge is to design an invention for Stig to use in his new home! Be as creative as you like! Remember that he has no electricity so you will need to have a way of powering the item! How will it help Stig? Why does he need it?

Success criteria:

- Design something for Stig to use in his home
- Think about the materials that you could use (try to recycle)
- How will it work?
- What can it be used for?

Next week you will share your design with the rest of the class and explain how it works, why you have chosen the materials you have used and how you think Stig would react to it.

We will record your presentations and compare them to our final inventions at the end of the project

Spellings

1. mention
2. possession
3. separate
4. magician
5. naughty
6. build
7. reign
8. antiseptic
9. furniture
10. poisonous

Reading

Please continue to read to an adult at least three times a week and use the reading comprehension question to test your understanding.

Maths

Continue to practise your maths on Sumdog - focus on fractions and measures.
For extra practise, please use the maths comprehension questions.

Have a great weekend!
Miss Roberts
