

Year 3 Home Learning

Next week we will be looking at newspapers in Literacy. Please can you collect any examples of newspapers/ reports ready to use in lessons on Wednesday 6th May.

Once you have had a look through these news reports we would like you to write a success criteria for 'How to write a newspaper report'. Also, look at the features in a newspaper and writes down what is included.

Example:

Features- Headline, Caption.....

Maths

Next week we will be starting addition and subtraction.
Please practise the following sums using the method you use in class.

Addition- Partitioning or column addition.

Subtraction- Number line or column subtraction (with exchanging)
