

Year 3 Half Term Home Learning

As this is half term and a chance to have a well-earned rest, we thought the homework could be something very simple which should around 10-20 minutes to complete.

The homework will be used on the first day back (Monday 1st June) for our new whole school project. Using the circles provided, please draw a picture/ stick a photograph of things that made you 'belong'. This could be belonging to; family, friendship groups, hobbies, clubs attended, your home etc. Below are a few examples:

Tap shows- dancing
Football socks- outside school club
Leotard- gymnastics club
Teddy
Photograph of family
Favourite item from your bedroom
A religious item/ symbol
A family slogan or nicknames

On the back please write WHY they are special and make you belong.

As you have worked incredibly hard this year learning to swim and attending lessons, we would love it if you could take your family/ friends swimming and show them what you have learnt!

Have a great half term and we look forward to seeing you in Summer 2, refreshed and ready to learn ☺
