

Year 3 Home Learning

Next week year 3 will be writing a recount about their trip to the new school on Thursday 4th June. In preparation, we would like them to plan their writing using the flow chart provided. This has been broken down in to 5 events. Children can either write key words, phrases or full sentences. They can also add picture if they like.

If possible, we would like children to have this done for Monday 8th June as this will be the start of the writing cycle.

Have a lovely weekend 😊
