

Dear Parent

Chartwells in partnership with your school are pleased to announce that we will be moving to an on line meal ordering system from September 2015.

On line ordering has many benefits to you, enabling you to place an order using a smart phone, laptop, tablet or computer. Some of the many benefits are:-

- No more paper, meal orders getting mislaid
- Eliminates cheques, cash
- Reminders for orders will be sent
- Orders can be placed during the holidays, just 1 full week in advance order
- Multiple week orders can be made
- Confirmation of orders
- Registration once
- Dedicated customer care call centre

**It is important that you register before the end of term.** Registration for parents only can take place from 1<sup>st</sup> July and you can register your child and place your first order from 1<sup>st</sup> August.
