

PASSTHEPARCEL

A public art project for Broughton Gate and Brooklands

Fallen Oak. Opening Event.

This is an opportunity to: find out why it has this name. Talk to the Parks Trust. They'll be planting the planters – but they want to ask (and advise) residents on species. There are opportunities for anything from herbs to fruit trees! Meet the children from Brooklands Farm Primary School who have been there from the start (well almost) seven years ago. They'll be helping to do the planting at a later date. Meet the artist Walter Jack, Arts Officer, Louise Izod and Community Mobiliser, Josan Race and talk about this space, the future artist residency and future phases of PassTheParcel at the Meadows and in Cook's Place.

Eat cakes and drink tea!

October 13th, 2.00-4.00, Watercress Way, Haven Street.
