

Project Holiday Homework

After Easter, our new project is Dinosaurs!

For your holiday homework, we would like you to turn into a dinosaur expert and find out everything you can about these amazing creatures!

We would like you to record your interesting facts so that we can share them as a class.

Possible ways of recording are:

- Poster (written or on the computer)
- Fact file or leaflet to write up information and add images
- Labelled diagram of your favourite dinosaur

We can't wait to hear all the facts you come up with!

The Year 2 team
