

# Year 9

## Spring 2026 SDL Options Booklet

The UCL Academy vision is that students will experience an inspirational world-class education built on a culture of academic excellence, social responsibility and a transformational curriculum. Self-Directed Learning (SDL) supports this vision by offering all students the opportunity to experience learning and skill development outside of the academic curriculum.

SDL activities run on Wednesdays and Thursdays during the last lesson of the day. There are lots of different activities on offer and you are able to give your preferences on which one you do. This is a fantastic opportunity for you to try something you have never done before or to spend more time doing something you already enjoy. A mix of these is best!

**This SDL Cycle runs from 14 January to 12 March 2026**

**SDL runs in Lesson 7 on Wednesdays and Thursdays**

Please read the descriptions and key information carefully so you understand when and how often each SDL will run, and also if there are any additional application/auditioning processes required.

Once you have done this, complete the online survey using the link at the end of this booklet. All students will attend an SDL on Wednesdays and Thursdays.

Information about any SDLs added throughout the year will be sent home as they arise. Parents who are interested in running an SDL, know of someone who may be interested in running an SDL or would like further support can email [SDL@uclacademy.co.uk](mailto:SDL@uclacademy.co.uk).

**The deadline for selecting choices online is 5pm Thursday 18 December 2025.**

## Important information about making your choices:

---

- Students need to think carefully before making their **top 5 choices** for each day. Students will be assigned SDL activities from their selected top 5 options.
- Be wise! If you have applied late to a popular SDL it will not be possible to allocate it to you. If you apply to a girls-only SDL and you are a boy, you will not be able to attend and will have wasted a choice.
- Students and parents should work together to choose SDLs.
- Students will be able to apply for their SDL via a Google form. This will be sent directly to your Academy email address. You will need to be logged into your Academy account for the form to work.
- Apply by the deadline - it will make a difference to which SDL you are allocated!
- If you don't apply, then you will receive any SDL that has space in it.
