30th March 2020

Dear Year 3 Children and their families,

Thank you for all your positive messages of thanks and support that we have received this week. Your kind words mean a lot to everyone at Holy Trinity.

I know that some of you might be feeling worried about being away from school and your friends. At school we miss hearing your funny jokes and watching all your amazing learning in lessons. Even though you are not in school, all the adults are thinking about you and caring about you. We wonder if you are still getting better at your handwriting, how many times tables you can remember and what exciting books you are reading.

I hope the home learning packs have been helpful. After Easter, I will be sharing more work each week for you to complete at home. I will be providing more information about this in the coming weeks. In the meantime, there are lots of fantastic places that you can go to for extra fun and learning; I have included a list of helpful websites below.

If organising home learning is hard at the moment, the three best things that you can do right now are read a good book (you can read to someone at home or they could read to you), play some fun maths games (I've shared some ideas below), and keep practising your handwriting.

Remember, even though you're not at school you can still still learn something new. You could learn to tie your shoelaces, do some sketching, or get stuck into a creative Rainforest project from the list below. You can share what you have learnt with us when you get back.

I know school has ended quite suddenly, but rest assured when you get back we will plan a **BIG** celebration of you, all your work and your time in Year 3. I will start thinking of some ideas for this. If you have any of your own, send them to me on Class Dojo!

In the meantime, remember that all the adults at Holy Trinity are thinking of you and caring about you. We can't wait to see you back in school!

With love and best wishes to you and all your family,

Miss Hurley and the Year 3 Team

Strength for today. Bright hope for tomorrow
