30<sup>TH</sup> March 2020

Dear Children, Parents and Carers

Thank you for all your positive messages of thanks and offers of support which we have received these past couple of weeks.

We understand that many of the children are worried about the amount of time they will be away from school, their friends and their routines. Before the children left last Friday, we spoke to them and reassured them and we promise that as soon as we can come back together as a school, we will do so.

For those of you with your children at home, please do let them know that we all miss them and let them know that we will be reunite as a school as quickly as we can, but we must be patient. In the meantime, please ensure that the children continue to keep up with their reading, maths and learning for when they return.

We will continue to send messages and updates to you via the school website and the Class Dojo app.

Let's keep up the positivity and learning and we look forward to coming back together as the great school community that we are.

Best wishes

Miss Styllis

xx
