Technical information about this website's accessibility

Holy Trinity CE Primary School is committed to making its website accessible. This is under the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018.

This website is partially compliant with the Web Content Accessibility Guidelines version 2.1 AA standard, due to the non-compliances listed.

Improving accessibility

How and when we plan to improve accessibility on this website.

Content that's not within the scope of the accessibility regulations

Some of our older PDFs and downloadable documents do not meet accessibility standards. However, we plan to ensure that moving forward all PDFs meet WCAG 2.1 Accessibility standards.

The accessibility regulations do not require us to fix PDFs or other documents published before 23 September 2018 if they're not essential to providing our services.

We are developing a strategy to ensure that documents which are essential to providing our services, are made accessible. This includes:

information on how users can access our service

forms published in word documents and PDFs

The strategy prioritises PDFs that are opened and used regularly or have information that is a statutory requirement.

We plan to ensure that all essential PDFs meet accessibility regulations by April 'Date Here'.

Live Video

We do not plan to add captions to live video streams because live video is exempt from meeting the accessibility regulations.
