Collective Worship Policy

1. How is the policy a reflection of our theologically rooted Christian vision?

School Vision

Our school vision is rooted in the book of Isaiah chapter 40 verse 31 which tells us that those who have hope in the Lord will renew their strength.

Our hope in God leads us to have high aspirations for our learning community. We value the uniqueness of each child, made in the image of God, and seek to provide a holistic, enriched curriculum and pastoral care, empowering everyone with the strength, knowledge and wisdom to succeed and flourish.

There are 3 core drivers that help us to realise our vision:

Collective worship at Holy Trinity CE Primary School reflects the Anglican foundation of the school. It also reflects to aims of the Church of England Vision for Education and the school's Christian Vision. Worship provides a daily opportunity for pupils to encounter God and draw strength from Him as they progress through life full of Christian hope. Our core drivers are evident in the aspirational Christian values we explore each half-term, the stories told and the songs sung. Growing spiritually is fundamental to reaching one's potential and worship is a vehicle for exploring shared values, reflecting on the teachings of Jesus and forming a personal response to them. It is also a time for coming together as a community bound by a set of shared values, which is how we define living well together. In this way worship prepares pupils to 'soar on wings like eagles,' Isaiah 40:31'

2. Introduction

In Church of England schools, collective worship is seen as more than a daily 'awe and wonder' moment. It is the unique heartbeat of the school and will be offered as part of a wider opportunity for pupils and adults to encounter faith by engaging in conversations about God, both as individuals and together.

We want pupils to leave school with a rich experience and understanding of Christianity, and we are committed to offering them an encounter with Jesus Christ and with Christian faith and practice in a way that enhances their lives...Collective worship in schools, including prayer, reading and reflecting on the Bible, liturgy, sacrament and experience of the musical and other imaginative riches of Christianity, provide a vital opportunity for this.¹

Collective worship is a sacred and significant time of each school day, where we gather together as a whole school family. Collective worship strengthens and supports the Christian identity of our school and reaffirms our Christian vision and associated values of:

Significance
Peace
Respect
Compassion
Forgiveness
Courage

3. Aims of Collective Worship

- Offer the opportunity, without compulsion, to all pupils and adults to grow spiritually through experiences of prayer, stillness, worship and reflection.
- Help pupils and adults to appreciate the relevance of faith in today's world by encountering the teachings of Jesus and the Bible and developing understanding of the Christian belief in the trinitarian nature of God.
- To reflect the parish tradition of worship, while giving experience over time for pupils to experience the breadth of Anglicanism.
- Enable all pupils and adults to appreciate that Christians worship in different ways, for example using music, silence, story, prayer, reflection, as well as through the varied liturgical and other traditions of Anglican worship and festivals.
- Explore the school's Christian vision and how that underpins shared values and virtues.
- Enable pupils the opportunity to make a positive contribution to worship through involvement with aspects of the planning, leading and evaluation of collective worship.

4. Legal requirements

Collective worship:

- Should be conducted in accordance with the Trust Deed of the school and Instrument of Government and be consistent with the beliefs and practices of the Church of England.

- Unless the right of withdrawal has been exercised all pupils must take part each day in an act of collective worship (DfE circular 1/94 para. 51) and the Governing Body should ensure that all pupils **each day** engage in a distinctively Christian act of worship.
- Arrangements for collective worship in foundation schools of a religious character (i.e. church schools) are the responsibility of the Governing Body, after consultation with the headteacher (DfE Circular 1/94 para 52&53).

5. Planning of worship

Collective worship is planned by a variety of stakeholders including staff, the incumbent of our linked church/es and external visitors in consultation with the collective worship leader and governors.

The daily Christian act of worship is central to our Christian ethos. It makes an important contribution to the spiritual flourishing of the whole school community. We are committed to providing a daily act of Christian worship which is truly welcoming, inclusive and exemplifies the principles of Christian hospitality.

Collective worship can take place at any time of the school day and in any regular school grouping e.g. whole school or key stage. Our school plans systematically, using both long term and short term plans which enables continuity and cohesion. We use the following resources to support our worship:

We are mindful of the variation in personal spiritual styles and our planning incorporates a range of creative opportunities to enable all to engage in the acts of worship. These include: music, movement, works of art, stories, silence, symbolism, drama, use of IT.

When planning acts of worship, we follow the Church of England guidance to ensure that worship is:

- **Inclusive** – Our acts of worship recognise that pupils and staff come from homes of different faith backgrounds as well as no faith backgrounds, so it will be inclusive of, and fully accessible to all. Care will be taken to ensure that language used by those facilitating worship avoids assuming faith of those participating, listening or watching.
- **Invitational** – In our acts of worship, there is no compulsion to ‘do anything’. Rather, worship will provide the opportunity to engage whilst allowing the freedom of those of different faiths and those who profess no religious faith to be present and to engage with integrity. Pupils and adults will only be invited to pray if they wish to do so.
- **Inspiring** – By asking and discussing big questions about who we are and what we do in worship we hope to motivate pupils and adults into action. There will be opportunities to think, reflect and ponder on their and the wider community's behaviour and actions.

6. Pattern of Worship

Our pattern of worship is as follows:

Type of Worship	Time	Venue	Led by
Whole school gather	15.00	School Hall	Head of School
Worship in classes	15.00 – may differ due to timetabling in some classes	Classrooms	Class Teachers
Church Led Worship – Whole school gather	15.00	Lighthouse London Church/ School hall (fortnightly rota)	Children's Pastor from Lighthouse London Church
Singing Worship	15.00	School Hall	RE leader
Whole school gather	15.00	School Hall	Assistant Head/Head of School

Our worship consists of 4 parts:

- **Gather** – we welcome the community, for example, *with a values-themed song and the lighting of a candle.*

- **Engage** – we share, for example, a *Bible story or Bible reading, followed by an activity to engage pupils with the Christian message*
- **Respond** – pupils, for example, *discuss, share, reflect, pray or sing*
- **Send** – we share, for example, *the message of the worship again and ask pupils to think about how they will affect their behaviour. We close with a final prayer and the blowing out of our special candle. Pupils leave worship to the values - themed song for the half-term.*

7. Collective worship leader

The leader for collective worship is responsible for long term planning of worship, leading acts of worship and supporting staff and pupils who are planning and leading aspects of worship. The leader also monitors the quality of worship and evaluates its impact across the school community.

8. Visitors leading worship

Visitors to our school are asked to read and comply with our school visitor and safeguarding policies:

- Child Protection and Safeguarding Policy
- SEND Information Report & Policy

The can be found on the school website at:

<https://www.holytrinitynw3.co.uk/about-us/policies/>

This should include discussing the content of any worship with a member of the senior leadership in order to ascertain its suitability for the school community. Visitors are never left alone with children as the supervision of pupils remains the responsibility of school staff.

It is the responsibility of the collective worship leader to ensure that all visitors, who are leading worship in school, will be trained and properly briefed about the school, its context and our school's vision. Please refer to LDBS guidance for visitors leading worship.

9. CPD and training

Parents, pupils and adults in school are entitled to be led in Christian worship by those who have a secure understanding of the nature of collective worship in a church school context. Therefore, all those leading worship, including clergy, should have access to regular diocesan led training.

10. Monitoring and evaluation

Our school regularly evaluates our acts of collective worship and the impact they have on pupils and adults within the school community.

This involves monitoring by school leaders, the collective worship leader and governors and takes place both informally and formally. Everyone who leads worship is asked to evaluate, reflecting on how they can improve and develop their practice. We welcome the views of all those who participate in our worship, including pupils, parents, and visitor. *Feedback is gathered from pupils in the following ways:*

- *House Captain Meetings*
- *Class Representative*
- *Pupil voice sessions*
- *Pupil Questionnaires*

Parents and Visitors can provide feedback in the following ways:

- Verbally
- Email – admin@holytrinity.nw3.camden.sch.uk

This feedback plays an essential part in developing the spiritual growth of our school community.

Foundation governors and the worship leader observe and evaluate worship once every term and reports back to the whole governing body.

The impact of collective worship is independently inspected by law under Section 48 of the Education Act 2005 (SIAMS).

11. Parents and Carers

As a school we recognise that a partnership with parents/carers is essential to help pupils flourish. Worship is regarded as special time in our school day where we gather as a school family. Reflecting our ethos as a Church of England school, collective worship is an inclusive opportunity for those of all faiths and none to be present with integrity.

We respect the legal right of parents to withdraw their child/children from acts of collective worship. However, in view of the Christian ethos and distinctive Christian character of our school, we hope that all pupils will participate in collective worship, and that anyone wishing to withdraw their child will discuss this with the headteacher before making their decision.

12. Evaluation / Review

This policy is reviewed regularly by the collective worship leader in consultation with the Headteacher and ratified every **three years** by the Governing Body.
