REGAL BALLET

Ballet Lessons at Holy Trinity School

*Reception to Year 4 · Tuesday Afternoons · **after-school supervision included***

Hello, my name is Therese Schweppe. I am a professional ballerina from English National Ballet, a qualified ballet teacher and Principal of Regal Ballet. We are delighted to offer ballet lessons to children from Reception to Year 4 at Holy Trinity School on Tuesday afternoons.

Class	Time	Fee
TUESDAY		
Reception & Year 1 Ballet · Age 4–6	3:30pm – 4:15pm	£180 per term
Years 2–4 · Primary level	4:15pm – 5:00pm	£200 per term
TERM DATES Monday 4th January – week ending 26th March · No half term break, as it's a short term		

Ballet takes place in the hall directly after school. For your convenience we have two Regal Ballet staff on site. The children are collected by the ballet teachers and supervised while waiting for their class to begin, then supervised after ballet until collected by parents. We have found this works really well for busy parents. **Royal Academy of Dance exam classes are also offered.**

BENEFITS OF BALLET

Ballet is a wonderful form of exercise for developing fitness, confidence, discipline, leadership and creativity. It gives children a chance to develop their talents and focus their abilities to succeed in both sporting and academic life, as well as a fun and happy environment to look forward to each week. Our teaching is done in a fun yet structured way, and their earliest memories of ballet should be happy ones.

HOW TO BOOK A PLACE

If your child already attends our classes, you do not need to do anything. Your child will be enrolled automatically in the correct class for next term. New joiners can book and pay at www.regalballet.com. Please book early, as classes fill up quickly.
