Hedleys
College

**We are a
College for
students who
have a
disability,
aged 16-25
years old.**

Our motto is
everyone can
Achieve, Believe
and Succeed

You can come to
College to learn new
skills and achieve
qualifications

We have therapy teams at College who can help you with your communication, independence and how to stay healthy

You will have a Tutor
and support staff who
will help you to learn
new things.

At College there is a team of nurses who can also help you to stay healthy.

If you have a problem at College you can talk to your Tutor, College Principal, or any staff member who you choose.

**We will always listen
and help you.**

There will be lots of things happening at College you may want to join in with.
