

Shipston High: History Curriculum

Revision

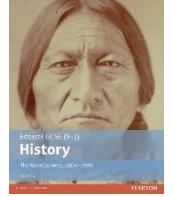

Paper 3 Nazi Germany

This topic will focus on source skills, students will look at historian's interpretations of different topics and begin to evaluate these opinions. We shall study how Germany changed as a result of WW1, with a political focus. We shall look at the rise of the Nazi party and how they managed to gain and sustain power in Germany.

Paper 2 The Development of the American West

The topic begins looking at Native American culture. This develops into how the European settlers developed American. We shall look into the conflict between the settlers and the Native Americans.

Paper One Medicine through Time, with a depth study on WW1

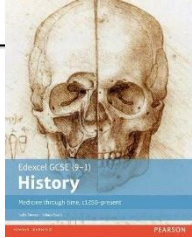

This topic will cover over a 1000 years of History. We shall focus on change and continuity, investigating what progress has been made and how significant those changes are. There will be key focuses on the significant of individuals and the impact of the government.

Year 11

Paper Two Early Elizabethan Era

This topic will focus on the reign of Elizabeth I, we will investigate the problems faced by Elizabeth in the beginning of her reign. We will look into how people tried to plot against her and how she navigated the religious problem.

Year 10

Holocaust- We will investigate the events of the Holocaust and the consequences, we will look into the influence this event has had on the wider world.

Interwar Years- When studying this topic we will breakdown the idea that World War Two was a result of one individual and look at how a complex series of events allowed Hitler to gain power. We develop historical skills through source investigation, students will be learning to evaluate how actions have consequences.

Cold War- The purpose of this topic is to understand how tension can impact decisions. We will make connections to the modern world and how significant of the past can impact international relations.

World War Two- We shall investigate the key events of the war, we focus on significant moments in British history such as Dunkirk and D-Day. We link back to the concepts taught in year 7 about how moments in time change the course of history.

Year 9

World War One- The purpose of the study is to understand how conflict changed the world, through this study we shall look at the breakdown of the British Empire. We shall investigate the causes, events and consequence of the war.

Native Americans- The purpose of this topic is to understand the culture of the Native America society, this topic will allow students to explore how people can rely on the environment to survive.

Slavery- We shall focus on the key events of slavery, the conditions, punishment and impacts. We will develop student's empathy and the ability to contrast societies.

Fight for Equality in Britain- This topic will focus on how a wide variety of British people fought to gain equality. We shall look at how British law has changed and developed over time.

Year 8

Origins of USA- The purpose of the studying this topic is to understand how empires rise and fall, we will look at the desire of European powers and how the new societies created seek independence. We will look at cause and consequence of empires and the significance of developing societies.

Civil Rights-The purpose of this topic is to develop an understanding of tolerance. We shall investigate how people protested and fought to gain their rights. We will look at the inequality across the world and history can help develop the future.

Independent Project- Students will create a project based on an individual in history that interests them.

Medieval Kings- Students will focus on the impact of monarchy, how power and control can impact England

Norman Conquest- The purpose of the topic is to provide students with an understanding of the world we live in today. Students will discover the events of the Battle of Hastings and how England changed as a result. Cause and consequence will be one of the main historical focuses for this topic.

Year 7

The Tudors- This topic allows students to focus on the Monarch and the impact they have on society. We are able to explore how choices for personal and religious reasons impact the wider community. A key skill they are able to take from this is that decisions have consequences. We focus in detail on the Reformation and the impact this had on the world.

Local Study- Students will investigate the history of the local area. We shall look at Shipston and Warwickshire. This will allow students to understand how their own history fits into the History of the world.

Medieval life- In this topic we will look at how people lived during the medieval period. We will focus on change and continuity, we focus on the conditions and way of life of the people, and we look at the impact religion had on people and how this is no longer the case in the modern day. We look in detail at the Black Death and how a disease can impact a society.
