OVERVIEW

Number of pupils and pupil premium grant (PPG) received	
Total number of pupils on roll	211
Total number of pupils (past and present) eligible for PPG	21
Amount of PPG received per pupil	£900
Total amount of PPG received	£18,900

Nature of support from April 2013

We run a number of interventions for individuals and groups of pupils – these include:

Gym Trail, Social Skills, Fine Motor Skills, Lego Therapy, Phonics/Guided Reading, Basic Maths, Code X reading programme, Language groups, 1:1 support for IEPs, Speech Therapy programmes, OCC Therapy programmes.

We also have a wide menu of afterschool activities available for all age groups that are well attended. Before school, lunch times and after school also.

Curriculum Focus of PPG spending

Using this grant, we are able to staff the above interventions as well as supporting learning and behaviour in class on both a group and one to one basis.

In addition we have also provided additional resources, including ICT and have given financial support for visits and school journeys.

We have been able to fund a teacher to support the upper Key Stage 2 children and several Learning Support Assistants across all Phases to support learning.
