Un, deux, trois, montrez-moi !

(One, Two, Three, Show Me!)

Marron...

Listen to the colour word when it is called out.

In pairs, decide which of your objects is this colour.

Un, deux, trois...montrez-moi!

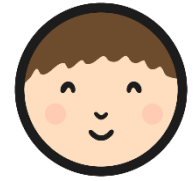

When you hear “Un, deux, trois...montrez-moi!” hold up your choice of object.

The quickest pair to hold up the correct coloured object wins a point!

Allez-y!

Off you go!

Challenge: Point to a colour and ask your partner "C'est de quelle couleur?" Can they answer correctly?

Cache-cache

(Hide and Seek)

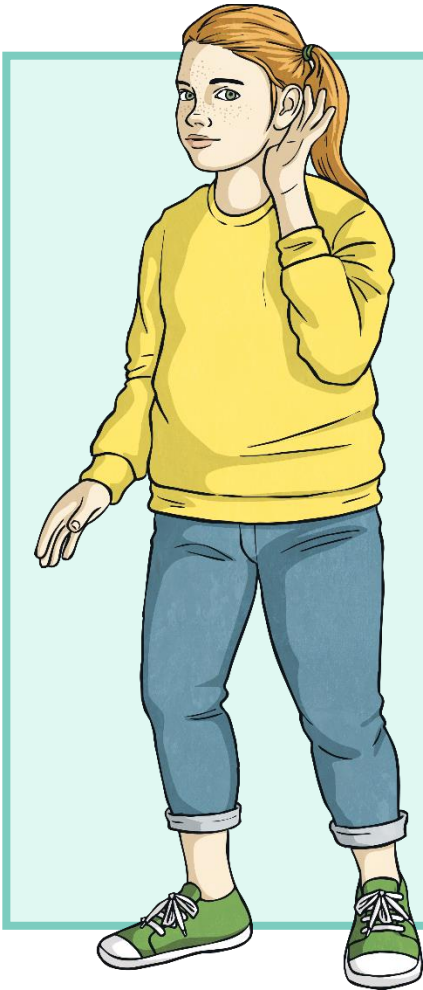

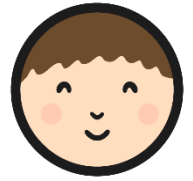

- Take it in turns to put a colour vocabulary flashcard into the Cache-cache! envelope.
- Slowly begin to reveal the word whilst asking “C’est de quelle couleur?”
- The rest of the group guesses the colour.
- If the group is correct, reply with “Oui!”
If the group is incorrect, reply with “Non!” until they get the right answer!

Jeu des couleurs

(Colours Game)

Listen to the action word and set off around the room when you hear “Allez-y!”

On your teacher’s signal, stop and listen for what to do.

Only do the action if the teacher mentions your team colour!

For example “Levez les mains les bleus!” means all the blues raise their hands.
