Les consignes en classe

Classroom Instructions

The background features a teal-colored illustration of a classroom scene. In the foreground, a female teacher with long brown hair, wearing a green cardigan over a grey dress, holds two blue books and points her right index finger upwards. The background shows several children engaged in different activities: some are standing, some are sitting on the floor, and one child is holding a parrot on a stick. The overall theme is classroom management and instructions.
