FOCUS GROUP 12 - Parental Feedback Opportunity

Let's share

In Thurrock we are committed to ensuring that children and young people with SEND and their families are at the heart of an effective SEND system. We recognise the importance of families feeling well supported through access to the right support, in the right place, at the right time to ensure that children and young people achieve their goals and aspirations through positive experiences in education and within their local communities.

Strategic Leads from across the SEND team would like the opportunity to speak directly with parent carers and guardians about experiences of SEND provision and support across Thurrock.
