## 1. Privacy Notice

- 1.1 Under UK GDPR and the Data Protection Act 2018, individuals have a right to be informed about how the school uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.
- 1.2 This privacy notice explains how we collect, store and use personal data about pupils and parents.
- 1.3 Graham James Primary School is the 'data controller' for the purposes of data protection law.
- 1.4 We have appointed Chorus Advisers who specialise in GDPR to act as our Data Protection Officers. They will be responsible for ensuring compliance and monitoring the effectiveness of this policy.

## 2. The personal data we hold

- 2.1 Personal data that we may collect, use, store and share (when appropriate) about pupils includes, but is not restricted to:
  - Contact details, contact preferences, date of birth, identification documents
  - Results of internal assessments and externally set tests

  - Characteristics, such as ethnic background, eligibility for free school meals, or special educational needs
  - Exclusion information
  - Details of any medical conditions, including physical and mental health
  - Attendance information
  - Safeguarding information
  - Details of any support received, including care packages, plans and support providers
  - Photographs
  - CCTV images captured in school

2.2 We may also hold data about pupils that we have received from other organisations, including other schools, local authorities and the Department for Education.

### **3. Why we use this data**

3.1 We use this data to:

- Support pupil learning
- Monitor and report on pupil progress
- Provide appropriate pastoral care
- Protect pupil welfare
- Assess the quality of our services
- Administer admissions waiting lists
- Carry out research
- Comply with the law regarding data sharing

### **4. Our lawful basis for using this data**

4.1 We only collect and use pupils' personal data when the law allows us to. Most commonly, we process it where:

- We need to comply with a legal obligation
- We need it to perform an official task in the public interest

4.2 Less commonly, we may also process pupils' personal data in situations where:

- We have obtained consent to use it in a certain way
- We need to protect the individual's vital interests (or someone else's interests)

4.3 Where we have obtained consent to use pupils' personal data, this consent can be withdrawn at any time. We will make this clear when we ask for consent, and explain how consent can be withdrawn.

4.4 Some of the reasons listed above for collecting and using pupils' personal data overlap, and there may be several grounds which justify our use of this data.

### **5. Collecting pupil information**

5.1 While the majority of information we collect about pupils is mandatory, there is some information that can be provided voluntarily.

5.2 Whenever we seek to collect information from you or your child, we make it clear whether providing it is mandatory or optional. If it is mandatory, we will explain the possible consequences of not complying.

### **6. Storing pupil data**

6.1 We keep personal information about pupils while they are attending our school. We may also keep it beyond their attendance at our school if this is necessary in order to comply with our legal obligations. Our Data Retention Schedule sets out how long we keep information about pupils.

### **7. Who we share pupil information with**

7.1 We do not share information about pupils with any third party without consent unless the law and our policies allow us to do so.

- 7.2 Where it is legally required, or necessary (and it complies with data protection law) we may share personal information about pupils with:

## 8. National Pupil Database

- 8.1 The NPD is owned and managed by the Department for Education and contains information about pupils in schools in England. It provides invaluable evidence on educational performance to inform independent research, as well as studies commissioned by the Department. It is held in electronic format for statistical purposes. This information is securely collected from a range of sources including schools, local authorities and awarding bodies.
- 8.2 We are required by law to provide information about our pupils to the DfE as part of statutory data collections such as the school census and early years' census. Some of this information is then stored in the NPD. The law that allows this is the Education (Information About Individual Pupils) (England) Regulations 2013.
- 8.3 The Department for Education may share information from the NPD with other organisations which promote children's education or wellbeing in England. Such organisations must agree to strict terms and conditions about how they will use the data.
- 8.4 For more information, see the Department's webpage on how it collects and shares research data <https://www.gov.uk/data-protection-how-we-collect-and-share-research-data>
- 8.5 You can also contact the DfE with any further questions at <https://www.gov.uk/contact-dfe>

## 9. Parents and pupils' rights regarding personal data

- 9.1 Individuals have a right to make a '**subject access request**' to gain access to personal information that the school holds about them.
- 9.2 Parents/carers can make a request with respect to their child's data where the child is not considered mature enough to understand their rights over their own data (usually under the age of 12), or where the child has provided consent.
- 9.3 Parents also have the right to make a subject access request with respect to any personal data the school holds about them. If you make a subject access request, and if we do hold information about you or your child, we will:
- Give you a description of it
  - Tell you why we are holding and processing it, and how long we will keep it for
  - Explain where we got it from, if not from you or your child

- Tell you who it has been, or will be, shared with
- Let you know whether any automated decision-making is being applied to the data, and any consequences of this
- Give you a copy of the information in an intelligible form

9.4 Individuals also have the right for their personal information to be transmitted electronically to another organisation in certain circumstances.

9.5 If you would like to make a request please contact our data protection officer.

## 10. Transfer of data outside the UK

10.1 We may transfer personal data that we collect from you to third-party data processors in countries that are outside the UK. If we do this, we have procedures in place to ensure your data receives the same protection as if it were being processed in the UK. For example, our contracts with third parties stipulate the standards they must follow at all times.

10.2 Any transfer of your personal data will follow applicable laws and we will treat the information under the guiding principles of this Privacy Notice.

## 11. Other rights

11.1 Under data protection law, individuals have certain rights regarding how their personal data is used and kept safe, including the right to:

- Object to the use of personal data if it would cause, or is causing, damage or distress
- Prevent it being used to send direct marketing
- Object to decisions being taken by automated means (by a computer or machine, rather than by a person)
- In certain circumstances, have inaccurate personal data corrected, deleted or destroyed, or restrict processing
- Claim compensation for damages caused by a breach of the data protection regulations

11.2 To exercise any of these rights, please contact our data protection officer.

## 12. Complaints

12.1 We take any complaints about our collection and use of personal information very seriously.

12.2 If you think that our collection or use of personal information is unfair, misleading or inappropriate, or have any other concern about our data processing, please raise this with us in the first instance.

12.3 To make a complaint, please contact our data protection officer.

12.4 Alternatively, you can make a complaint to the Information Commissioner's Office:
