Dear Parent/Carer

Don't let your child miss out on school milk after their 5th birthday

As your child is currently under 5, we're delighted to confirm that we have arranged for them to receive free milk at school, funded by the UK Government's Nursery Milk Scheme.

When your child turns 5, you have the option to pay for their milk to continue - we have made arrangements with the UK's leading school milk supplier, Cool Milk, to supply milk at a subsidised cost of just 23p per day.

What you need to do:

Visit www.coolmilk.com as soon as possible and select "Register your child for milk here", then follow the on-screen instructions to register and pay

OR ask the school office for a registration form - send your completed form to Cool Milk, and they will send you a payment request.

A portion of fresh, chilled milk at mid-morning break provides protein, calcium and other vital nutrients, important for your child's growth and development. It's also a great way to bridge the gap between breakfast and lunch, re-hydrating your child and helping them to concentrate in class.

Should you have any queries regarding your child's registration or milk supply in general, please do not hesitate to contact Cool Milk directly at customerservices@coolmilk.com

Yours sincerely,

Petra Back
