

WhatsApp

A Guide for Parents & Carers

WhatsApp is a free messenger app. It uses the internet to send messages, images, documents, audio or video. The app offers end-to-end encryption, which means that all messages can only be read by the sender and the recipient.

Privacy

Show your child how to **adjust their privacy settings**, such as hiding their profile photo, last seen status and about info. Set them to either of the following:

My Contacts: available to contacts from their address book only
Nobody: not available to anyone

Talk to them about not sharing their personal details online.

Messaging

Encourage your child to think about these things before they message:

- Is it kind?
- Is it true?
- Would your parents/guardians approve?
- Would you say it to their face?
- Have you asked permission to post photos?
- Have you used your online manners?
- You don't have to join in!

Contacts

Make your child understands that they should **only connect with friends, family, or trusted individuals**.

Teach them not to accept messages from **unknown contacts**.

Go over with your child how to **add, block and report** contacts.

Group Chats

If a child is added into a **Group Chat**, it may include people they don't know. This can put them at risk of being contacted by a stranger.

Go to **Settings -> Privacy -> Groups**. Select specific contacts that can add your child into groups.

Encourage your child to only join a group with people they **know and trust**.

Location

WhatsApp allows users to share their **location** with others.

If this feature is enabled, it could potentially let others **track** your child's location or discover their home address.

Speak to your child about keeping this feature **disabled**.

Check

Check in with your child regularly to **review their phone settings**.

Have an open dialogue about their WhatsApp usage and **how often** they are using the messaging app.

Encourage them to share what they're experiencing and periodically check that they are **staying safe and happy** online.

Encourage your child to come to you if **ANYTHING** online makes them feel uncomfortable, upset or worried.
