Area of a Parallelogram

Tips

- Read each question carefully
- Attempt every question.
- Check your answers seem right.
- Always show your workings

Recap

Remember

- There are daily questions found at
www.corbettmathsprimary.com/5-a-day/

1.

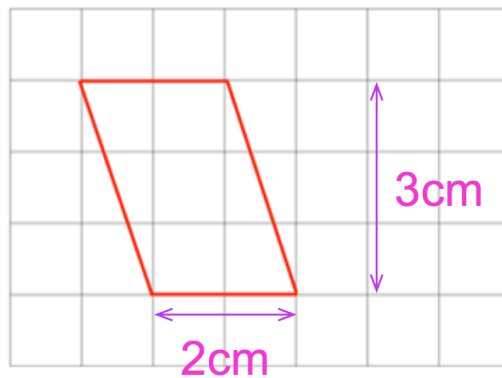

Work out the area of this parallelogram

cm²

2.

Work out the area of this parallelogram

cm²

3. Work out the area of this parallelogram

cm²

4. Work out the area of this parallelogram

cm²

5. Work out the area of this parallelogram

mm²

6. Work out the area of this parallelogram

cm²

7. Work out the height of this parallelogram

8. Work out the length of this parallelogram

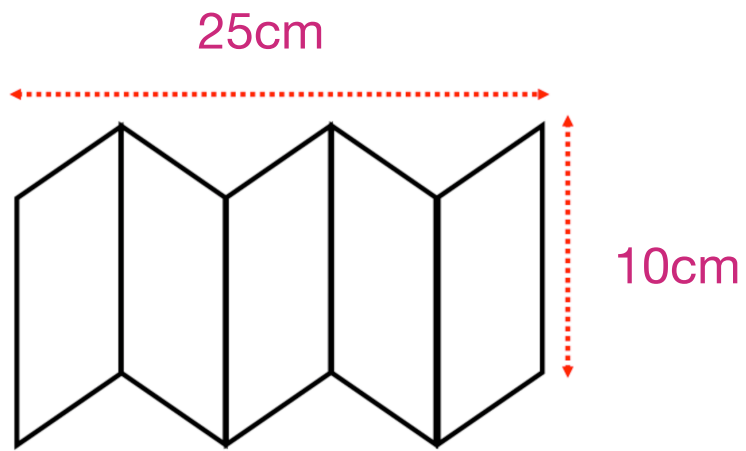

9. The perimeter of this parallelogram is 60cm

Work out the area of the parallelogram

cm ²

10. A logo is made up of 5 identical parallelograms.

Find the area of one parallelogram

cm²
