

Graham James Primary Academy is excited to launch a new after-school childcare programme, Camp Epic Lates. They are designed to provide a safe, nurturing, and engaging environment for pupils following the regular school day. Camp Epic Lates aims to offer working parents' peace of mind while giving pupils the opportunity to engage in fun and educational activities.

Starting on Monday 24th February, the after-school childcare service will be available to all year groups and will run from 3:15-4:30 ('After School Club') or 3:15-6:00 ('Wrap Around Care'). The programme offers a structured routine that includes supervised playtime, arts and crafts, homework assistance and of course sports activities. With this new after-school programme, 'Camp Epic Lates' aim is to provide a convenient solution that gives children the opportunity to thrive in after school hours, while also supporting our school community's busy families.

Key Features of Camp Epic Lates' after-school childcare programme:

- **Safe and Supervised Environment:** Trained and experienced coaches will provide constant supervision, ensuring that children are safe and well cared for.
- **Educational Enrichment:** The program will include homework support, reading time, and opportunities to explore creativity through arts and games.
- **Physical Activity:** Daily playtime and structured physical activities to promote health and social skills.
- **Affordable Rates:** The program is designed to be accessible, with affordable pricing that aims to support families in the community.
