How does it work?

Each afternoon, the children will meet in the library after school.

Once registered, pupils will head off to whichever activity they choose first, after an amount of time they will then meet back and do a different set of activities.

Pick Up

At 4:20pm, the children will be taken back to the library. Those children booked into the after school club only are to be picked up from here at 4:30pm.

Children booked onto Camp Epic Lates will continue their club and are to be collected from the side entrance of the hall. If you are happy for your children to walk home, please ensure you email us separately to confirm this.

Cancellations

We understand that plans can change! Just a quick note: we ask for 48 hours' notice if you need to cancel. This helps us keep everything running smoothly since those spots are reserved just for you. Unfortunately, if cancellations are made after the 48-hour window, we won't be able to offer a refund. Thanks for your understanding!

Late bookings

Booking closes at 11am on that day. If you miss that deadline, no worries! You can still reach out to our team on-site by sending us an email or a message. If we have space available, we'll be happy to help you get booked in.

FAQ

Can I attend a school club then come to Camp Epic Lates?

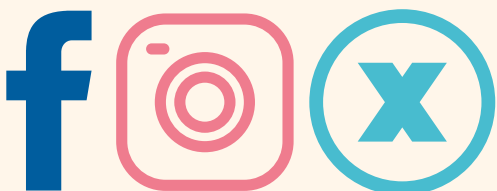

We know that your child might want to join a club at school that we aren't running, whether that is the school football team, music club, choir, or any other activity they are interested in. We are happy to have your little one come to us afterwards, but we do need them to book a space with us for the entire duration. We have to allocate a space in our ratio for your little one, and we must take responsibility for them from the moment they leave school until they arrive at the other club, as well as provide a space should that club not go ahead.

I have more than 1 child
If you have two children, and one wants to join the sports club and the other doesn't, that is absolutely fine. One can go do sports, and the other does Camp Epic Lates, the same as if you have children in different year groups, etc.

What do I need to pack/wear?

We suggest you pack a drink bottle. The one they use at school is fine; we will top it up if they run out. If your little one is looking to do sports activities, we would suggest an appropriate change of clothes.

Please note if your children are doing sports activities, they will need to remove jewellery.
