Dear Parents/Carers,

I am writing to request your assistance in enhancing our upcoming religious assemblies and lessons, as well as creating enriching displays around our school.

To foster a more inclusive and diverse learning environment, we are keen to share examples that reflect the rich variety of our school community. We would greatly appreciate it if you could provide photographs that represent religious or cultural celebrations and traditions your family observes.

Sharing these photographs with us will allow us to showcase the wonderful diversity within our school and help stimulate engaging conversations and learning among the children.

If you are willing to contribute photographs, please ensure they are suitable for school use and that you have the necessary permissions from anyone featured in them. The photos can be sent to carly.taylor@grahamjamesacademy.co.uk or brought to the school office by Tuesday 14th October.

We sincerely thank you for your support and look forward to celebrating the unique contributions each family brings to our community.

Kind Regards,

C. Taylor
