28th November 2025

Dear Parents

I am pleased to say that we have again been able to get a professional company to come and record our Christmas Show. The recording will take place at the dress rehearsal.

The videographer is producing two versions, either a digital download (you will receive an email/text of a web link that you can watch online or download, to your computer/tablet or compatible TV this link expires after six months so you will need to download it before it expires). The other option is to have the recording on a USB memory stick.

Below is an order form which will need to be returned to school by **Wednesday 17th December at 4.00pm** at the very latest.

The cost of the Digital download is £13.50 for 1 performance or £16.50 for up to 4 performances and the USB memory stick is £17.50 for 1 performance and £21.50 for up to 4 performances.

Payment must be made on ParentPay. If you require a ParentPay log on please let the office know.

You **MUST** fill in and return the order form even if you pay on Parent Pay.

The recordings will not be available before Christmas.

Yours sincerely

P Back
