

	Drawing	Painting and mixed media	Craft and design	Sculpture and 3D
Year 1	Drawing: Exploring line and shape Exploring line and shape; working and experimenting with different materials through.	Painting and mixed media: Colour splash Exploring colour mixing through paint play, using a range of tools to paint on different surfaces and creating paintings inspired by Clarice Cliff and Jasper Johns.		Sculpture and 3D: Paper play Creating simple three-dimensional shapes and structures using familiar materials, children develop skills in manipulating paper and card. They fold, roll and scrunch materials to make their own sculptures. This unit contains three brand new lessons and two existing Kapow Primary lessons.
Year 2	Drawing: Understanding tone and texture Exploring how artists use tone and texture and applying these techniques in observational drawings.	Painting and mixed media: Life in colour Developing colour mixing skills, learning about the work of artist Romare Bearden and creating textured papers using paint, children compose collages inspired by their exploration of colour and texture in the world around them.	Craft and design: Map it out Responding to a design brief, children learn different techniques for working creatively with materials and at the end of the project, evaluate their design ideas.	
Year 3	Drawing: Developing drawing skills Developing shading skills and drawing techniques to create botanical-inspired digital drawings.	Painting and mixed media: Prehistoric painting Discovering how and why our ancient ancestors made art, experimenting with natural materials to make homemade paints and playing with scale to paint on a range of surfaces.		Sculpture and 3D: Abstract shape and space Exploring how shapes and negative spaces can be represented by three-dimensional forms. Manipulating a range of materials, children learn ways to join and create freestanding structures inspired by the work of Anthony Caro.
Year 4	Drawing: Exploring tone, texture and proportion Exploring tone, texture and proportion to create realistic drawings.	Painting and mixed media: Light and dark Developing skills in colour mixing, focusing on using tints and shades to create a 3D effect. Experimenting with composition and applying painting techniques to a personal still life piece.	Craft and design: Fabric of nature Using the flora and fauna of tropical rainforests as a starting point, children develop drawings through experimentation and textile-based techniques to design a repeating pattern suitable for fabric.	
Year 5	Drawing: Depth, emotion and movement Exploring mark making for showing depth, emotion and movement.	Painting and mixed media: Portraits Investigating self-portraits by a range of artists, children use photographs of themselves as a starting point for developing their own unique self-portraits in mixed media.	Craft and design: Architecture Investigating the built environment through drawing and printmaking, learning about the work of architect Zaha Hadid, creatively presenting research on artist Hundertwasser and exploring the symbolism of monument design.	
Year 6	Drawing: Expressing ideas Exploring how artists express ideas and how they use scale to do so.	Painting and mixed media: Artist study Exploring a selection of paintings through art appreciation activities. Collecting ideas in sketchbooks and planning for a final piece after researching the life, techniques and artistic intentions of an artist that interests them.		Sculpture and 3D: Making memories Creating a personal memory box using a collection of found objects and hand-sculptured forms, reflecting primary school life with symbolic and personal meaning.
