

Year 6 transition arrangements

From Monday 29th June 2026, as in previous years, each year group is transitioning to their next class. Year 6 will be moving out of their classrooms, and participating in more sports, computing and creative activities during this time.

Monday 29th June – Thursday 9th July

From Monday 29th June to Thursday 9th July (inclusive), Year 6 should come into school wearing P.E./sportswear, as part of each day will include sports activities. Children can wear their own sportswear, e.g. football kits, leggings, sweatshirts to school. Please ensure children dress according to the weather, e.g. hoodie, joggers, waterproof if cold and wet, as well as a refillable water bottle.

No uniform needs to be worn on these days!

Friday 10th July – Last Day

Please ensure your child is in full school uniform on the last day of term – this will be expected for the Leavers' Production. If children would like their shirt signed on the last day, they should carry around a spare shirt to be signed, as children will need to wear a clean, white shirt for the Leavers' Production. (costumes will be changed into for the production)

Doors will open at 1:30pm for Leavers' Production and the show is expected to commence by 1:45pm in the school hall and will conclude around 3pm. Children will then go back to class and be released at 3.15pm.

Secondary Transition

You would have had letters informing you on your child's secondary transition days.
